Creation of a long-term plan

You want to take up work in Germany and improve the knowledge of the German language? We help you get closer to your goal! Together we determine your strengths and abilities, so you can use them purposefully.

We will assist you in recognition of your educational qualifications and your job activities.

An internship in a company, you get to know your desired profession better. We would like to inform comprehensively about the German labor market, so that you can successfully take up employment.

Our offer

- Information on the recognition of foreign qualifications
- Information about the German labor market and the job search
- Information about the German Culture
- Competence assessment
- Mediation job - related language skills
- Support the application process and
- Support to personal problems
- Dealing with JOBBÖRSE the Federal Employment Agency
- Creation of an individual applicant's profile in JOBBÖRSE the Federal Employment Agency
